

Language Reflection Sheet

What language did you use for your research? _____

What language did you write your highlight in? _____

How did using this order of languages help you to learn something about the World Cup?

How did using this order of languages help you to get better at using more than one language?

What was **challenging** about using this order of languages?

(After trying both orders): In the future, what languages would you prefer to use for reading and writing, in order to

...learn the most about what you're studying?

...grow as much as possible in your ability to use more than one language?
