

Observe and Record!

What can you notice about an interaction?

1. Where does the interaction occur?
2. Who is involved in the interaction?
3. What do you notice about these contextual factors in the interaction?

<u>Power</u> Which person has more power?	
<u>Distance</u> How well do the people know each other?	
<u>Imposition</u> How important or difficult is the conversation?	
<u>Non-verbal cues</u> What cues do you see? (gestures, facial expressions, emojis, etc.)	

4. Which words, phrases, expressions or gestures do you think give information about power, distance or imposition?
