University Work-Life Resources, a program in Human Resources, assists students and employees in effectively balancing their personal, family, and community life with work and educational responsibilities. The office coordinates information about campus and community child-care options, resources for families and elder care, and university policies related to children and families. Staff members are available to consult with students, faculty members, and UO employees about child care and other family issues.

ASUO Student Child-Care Subsidy

Funded by student incidental fees, the program pays a percentage of child-care expenses for low-income students. UO-affiliated and licensed community child-care expenses are covered. More information and applications are available from the ASUO Executive office, Erb Memorial Union, Suite 4; call 541-346-0632.
