The Student Alumni Association is an organization of students led by students that maintains University of Oregon traditions, inspires commitment in students, and serves the greater community. As the student arm of the UO Alumni Association, the organization seeks to

- increase the career opportunities of students by providing opportunities for them to network with alumni
- provide leadership opportunities for students in the organizing of campus and community events
- provide professional development opportunities for students through internships
- generate excitement surrounding university activities and traditions, creating a legacy of student involvement
