University Health, Counseling, and Testing Center Building, Second Floor
1590 E. 13th Ave.
testing.uoregon.edu

The Testing Center, a unit of the Division of Student Services and Enrollment Management, schedules, coordinates, and administers a wide range of assessment testing for students and community members. The center works closely with the Accessible Education Center to provide proctoring for students with accommodations. The Testing Center also administers academic examinations, required placement examinations, Credit by Examination programs, proctored academic tests, and national computer-based testing programs such as the Graduate Record Examination (GRE), Graduate Management Admissions Test (GMAT), Test of English as a Foreign Language (TOEFL), Miller Analogies Test (MAT), Praxis, California Basic Educational Skills Test (CBEST), and Oregon Educator Licensure Assessment (ORELA) teacher-certification tests. In addition to its computer-based testing program, the center organizes the on-campus administration of the paper-and-pencil GRE Subject Tests, Law School Admission Test (LSAT), and the Multistate Professional Responsibility Examination (MPRE). Students and community members taking online, distance-education courses are also able to have their examinations proctored at the center.

Registration materials and information are available on the website (https://testing.uoregon.edu) or by e-mailing a request (testing@uoregon.edu) to testing@uoregon.edu. The center is located in 270 University Health, Counseling, and Testing Center Building. Tests are administered by appointment. Hours of operation are listed on the website.
