# Bachelor of Arts in Japanese

The Department of East Asian Languages and Literatures offers undergraduate major programs in Chinese and Japanese languages and literatures. Each program enables students to achieve proficiency in reading, writing, and speaking the language and to acquire a fundamental knowledge of the literature and culture of the country. The Department also offers undergraduate minors in Chinese, Japanese, and Korean.

Prospective majors must meet with an East Asian languages and literatures faculty advisor when declaring the major, each spring to obtain the advisor's signature before fall term registration, and two terms before graduation.

The Bachelor of Arts in Japanese comes with three options: Culture-Intensive, Language-Intensive, and Linguistics-Intensive.

## Bachelor of Arts in Japanese: Culture-Intensive Option
