Office of Distinguished Scholarships

Kevin Hatfield, **Assistant Vice Provost for Undergraduate Research and Distinguished Scholarships**
Lanch McCormick, **Director of Student Engagement**
dsinfo@uoregon.edu

The **Office of Distinguished Scholarships** (ODS) advises and guides students who are interested in applying to highly competitive national and international awards to support graduate study in the U.S. or abroad, research, public service, and other scholarly pursuits. ODS also coordinates the internal review and endorsement processes for scholarships requiring institutional endorsement.
