Educational Leadership (MEd)

Please see M.Ed. in Educational Leadership Program website (https://education.uoregon.edu/edld/graduate/med/).

Program Learning Outcomes

Upon successful completion of this program, students will be able to:

- Use tangible skills that are immediately useful in using and understanding educational research and its application to problems of practice in a variety of educational settings.
- Apply data-driven methods and strategies to develop, implement, evaluate, and research educational programs.
