Special Education (DEd)

.

Program Learning Outcomes

Upon successful completion of this program, students will be able to:

- Provide supervision to teacher candidates and have experience in designing, revising, and teaching a course in the field of special education that promotes equity, diversity, and inclusion and effectively supports the learning development of undergraduate and/or graduate students.
- Critically evaluate, design, and implement research that promotes equity, diversity, and inclusion to better meet the needs of individuals, students, and families with disabilities.
- Engage in program, college, university, profession, or community service to better understand the roles and responsibilities involved in collaborative efforts with a variety of partners.
