Understanding the dynamics of politics, and how to make them serve you, is a critical element of understanding and shaping your own life. Studying political science teaches you how collective decisions are made — and how you can have a role in them — across all the arenas of your life. Within our close-knit community of scholars, you'll develop the critical thinking, analytic, writing, and sharp communication skills needed to examine the forces that shape our world.

Faculty

Yvette Alex-Assensoh, professor (immigration, racial politics) & vice president for equity and inclusion. BA, 1988, Columbia; MA, 1991, PhD, 1993, Ohio State; JD, 2006, Indiana, Bloomington. (2012)
