The Lundquist College of Business offers an intensive one-academic year master's degree in management (MSM). The program is designed for students with non-business undergraduate degrees and minimal post-undergraduate work experience. Students gain fundamental business skills and engage in applied experiences that prepare them for a wide range of business-related roles.

Students completing the MSM are eligible for the accelerated option of the Oregon MBA (OMBA) program after gaining sufficient full-time work experience.

Program's Admission Requirements

Please visit the program's website (https://business.uoregon.edu/programs/ms-management/).

Program Learning Outcomes

Upon successful completion of this program, students will be able to:

- Demonstrate proficiency in fundamental business knowledge.
- Think strategically in a business context.
- Identify and evaluate the ethical and legal implications of business decisions.
- Be skilled in leading and working successfully in diverse teams.

Management Major Requirements

Courses used to fulfill the major requirements must be taken for a letter grade and passed with a grade of C- or better.
