Repeatable 99 times

CAS 410L. Experimental Course: [Topic]. 2 Credits.
Experimental course - topic varies.
Repeatable 99 times

CAS 417. Career Readiness. 2 Credits.
This class provides a foundation for students to critically reflect on their values, interests, personality, and skills. Students then focus on communicating these in different modalities and to different audiences through the job search, networking, job applications, and interviews. This course's credit contribution to the completion of the Bachelor's degree is limited by General Limitations 3d.
Additional Information:
General Limitation applies: Applied, skills, career, or professional development course

CAS 507. Seminar: [Topic]. 1-12 Credits.
