Community Podcasting Microcredential

This program is designed for professionals and community members in the greater Portland metro region and environs who want to acquire skills in audio recording and podcasting to tell community stories. This program provides a pathway for people who want to advance their knowledge and skill development without committing to a full graduate degree program.

Program Learning Outcomes

Upon successful completion of this program, students will be able to:

- Build proficiency in audio recording and podcasting\
- Build proficiency in participatory methods for creating and disseminating community narratives
