

Comparative Literature Minor

Comparative Literature students have a passion for words, images, and ideas. They are drawn to stories, and they understand the power of representation. They think across disciplines and challenge existing frameworks. They are creative, critical, and committed to imagining a more just world.

The Comparative Literature minor offers an opportunity for students to pursue an interest in world literature and film without advanced language study.

Comparative Literature Minor Requirements

The comparative literature minor offers an opportunity for students to pursue an interest in world literature and film without advanced language study.
