Beta Alpha Psi (BAP) is a very active student organization hosting multiple student activities each term. During my tenure as advisor, we have increased membership from approximately 15 to over 100. I work closely with the executive officers team at weekly meetings.

CPA Advising Committee: 2023 to current

This is a committee with a mission statement to advance the accounting profession.

The main goal for this committee is to bring more students into the accounting profession. We had the opportunity to help draft SB 796 – which allows the Oregon Board of Accountancy to create a grant program to provide scholarships for students seeking accounting degrees in college or individuals who wish to become certified public accountants in Oregon.

Community Service:**Lane County Women Lawyers (LCWL)– Treasurer 2010 - 2022**

This is the local chapter of Oregon Women Lawyers (OWLs) a professional organization that meets monthly to advance women in the legal profession. In addition to hosting technical events we participated in several community events including an annual clothing drive that provided professional clothing to Womenspace (Hope & Safety Alliance). LCWL hosted an annual Continuing Education Day with half the proceeds going to Womenspace. We also sponsored a family for Christmas most years. I have listed LCWL twice as this professional organization does more to support the community at large.
