We only provide academic assistance for the core-required courses listed above:

- Tutors are not permitted to provide first-time instruction or answers for homework, quizzes or tests without explicit approval from course instructors.
- Tutoring cannot substitute for learning from instructors' lectures.
- Watch/attend lectures, take notes, review course materials and attempt to complete assignments on your own first.

Come with questions. Tutors are ready to clarify concepts and guide you in your learning.

We look forward to working with you to achieve your academic success goals!
