Math 205

1. Form groups of three. Write down your two colleagues' names and email addresses.
2. In discussion with your group, brainstorm different mathematical settings where you have encountered some notion of infinity.

First assignment, due Monday, October 7: Install T<sub>E</sub>X on your computer, or otherwise find somewhere that you can use it. Type your favorite poem. Some resources for getting started are available at [www.tug.org/begin.html](http://www.tug.org/begin.html) and [www.poetryfoundation.org/poems](http://www.poetryfoundation.org/poems).
