Text: *Calculus* by Edwards and Penney (6th edition)

Your grade will be based on the following:

- **Homework.** Due daily at the beginning of class; but after a few weeks we'll take stock and see if we'd rather collect homework weekly. I encourage you to work together on the homework. I will not accept late work, but I will drop the lowest score.
- **Quizzes.** Wednesdays at the end of class. I will not give make-ups, but I will drop the lowest score.
- **Midterms.** Wednesday, October 9 and Wednesday, November 13.
- **Final.** Thursday, December 12, 9:00–noon, room TBA.
