

List of things to bring on Geology 334 (Sed-Strat) Field Trip to the Oregon Coast

Trip departs Saturday 8:00 a.m. from the Onyx Bridge Parking Lot, return by 7:00 p.m.

- Notebook (preferably field book) and pen or pencil
- Handlens and grain size card
- Rain gear (if looks like rain)
- Warm clothes, can be cold and windy
- Foot gear: sneakers or light weight hiking boots, either is fine
- Sun screen and sun hat (prepared for anything)
- Lunch and snacks: bring all the food you will want to eat
- Water: bring plenty of water for the day
- Brunton Compass if you have one (optional)
- Rock hammer (optional)
- Your observational and thinking skills (definitely)
